CAE Preparation courses

Who

The course is primarily aimed at **fourth-year students** willing to prepare for the Cambridge Advanced Exams. It is a unique opportunity to further develop their English language skills during the course of their normal high school attendance. This course offers preparation for level C1, in accordance with the CEFR (Common European Framework of Reference for Languages).

Aims / objectives

This language certificate offers numerous advantages. It may be utilised to help to obtain various university degrees (e.g. pre-requisites for a Bachelor's degree) and to access various training programs in Switzerland and abroad. Here are some advantages of obtaining the CAE :

- this internationally recognised language diploma is valid indefinitely and incurs none of the extra costs associated with the alternative of a language stay in an English-speaking country ;
- it facilitates the admission to universities abroad and increases the opportunities to spend a semester abroad ;
- it improves employment opportunities.

Requirements

- regular class attendance, hard work (the school reserves the right to exclude any student whose work is unsatisfactory)
- attendance at the exams

Students are expected to spend at least two hours a week on preparation and homework.
